## ***Introduction:***

Shripatrao Chougule Arts and Science was established in 1995. The main objective of the establishment of this college was to cater to the needs of students coming from the village specially girls. The College started B.Sc Section in 2016. The main aim behind this is provide a Quality Education to Rural area Students Specially Girls. Hon. Dr. K.S.Chougule President ,Dnyanganga Shikshan Prasarak Mandal, Malwadi take more effort to established this college in rural and hilly area .College provided Bachelor of Arts degree in Nine and Bachelor of Science in Seven Specialization with well equipped labs and qualified Staff .College Started 7 Vocational Courses for increase employability of Students.In 2019 College get Accredited with B+ (CGPA 2.73) Grade by NAAC. College is Affiliated with Shivaji University, Kolhapur which is ISO ranking University and recently Accredited with A++ (CGPA 3.52).

Department of Life Long Learning and Extension, Center for Skill Development, Shivaji University established in 1984. Department has played a vital role in meeting the challenges of high incidence of illiteracy, large unemployment and traditional bound attitude of the masses which constitute formidable obstacles in the path of programmes. The main aim to conduct these programmes was to produce not only skilled and unskilled labour, but also a good quality of workforce. These courses developed and enrich the potential of local human resources, particularly women and disadvantage groups, so that they can start their own enterprises. This help in uplifting their social and economic status in the society. While devising these courses, a special emphasis has been given to local needs, locally available material, existing skills of local groups and new skills, knowledge and techniques.
