DEPARTMENT OF ZOOLOGY

MFCOWE

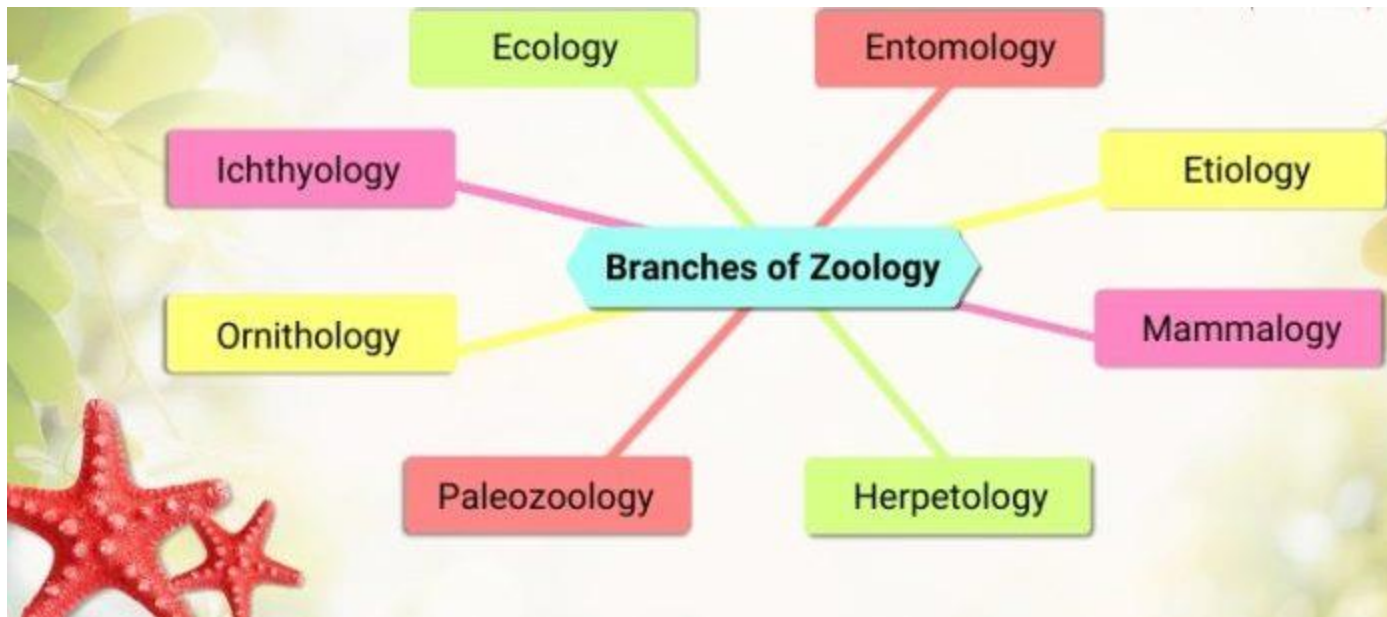

About Department

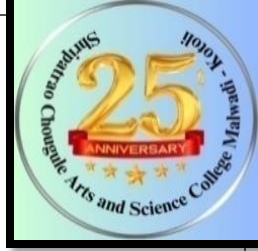

Department of Zoology was established in 2016

Zoology is taught for the students of I, II year B. Sc. as Main principal subject.

Zoology is a branch of biology that focuses on animals and animal life

Department of Zoology

Vision:

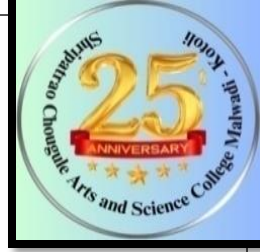

To promote knowledge of animal biology, evolution, and their environments.

Mission:

- To offer high quality education that builds minds with social and moral responsibility
- Encourage creativity and research

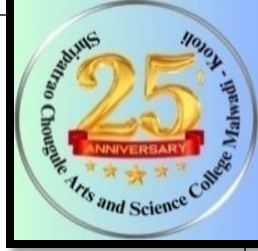

- Develop environmental consciousness
- To promote knowledge of animal sciences through quality education
- To sensitize society for animal welfare, conservation, and biodiversity protection
- To contribute to the broader community through outreach programs, conservation efforts.
- To provide overall training in theoretical and practical zoology to students.

- **Objective:**
- To understand the world of invertebrate and vertebrate animals.
- Gain knowledge about applications of genetics.
- Gain knowledge about animal ethics, animal protection act and its applications.
- To expose students to the field of Life sciences through projects, visits on vermicomposting, beekeeping, sericulture. It will help to create awareness on environment friendly technologies.

- To create environment conservation awareness through field visits.
- To motivate students, conduct seminars, workshops on various topics included in the curriculum.

Department of Zoology

Year of Establishment:

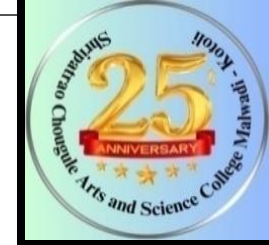

UG : Programme – June 2016

Programmes Offered(Semester) :

UG : B.Sc. Sem. – 4, Courses – 8

Certificate Course :

Certificate Course in Diet & Nutrition

Certificate course

Year	Course Name	Level	Student Enrollment	Appeared	Total Pass
2022-23	Diet & Nutrition	College	20	20	20

Faculty Profile

Sr N o	Name	Qualificaion	Designation	Specialization	Experi ence
1.	Smt.P S. Patil	M.Sc M.Ed	Asst. Professor	Animal Physiology	03

Life Long Learning And
Extention Course run by
Department

Vermicomposting

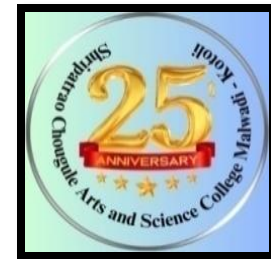

Departmental Activity

Co-Curricular Activity

- 1. Poster Presentation**
- 2. Wallpaper Presentation**
- 3. Guest Lectures**

Departmental Activity

Extra Curricular Activity

- 1. Guest Lectures**
- 2. Essay Writing**
- 3. Study Tour**

Memorandum Of Understanding And Activities

- MOU between department of Zoology SCMK college and Shivshambho Poultry Farm Kaneri-Kotoli

Faculty Research Contribution

Paper Presentation

Sr.No	Faculty Name	Topic	No. of Paper
1	Smt P.S.Patil	“ Age &Sex related variation in lung capacity of Human being	1
2	Smt.P.S.Patil	Post Pandamic Effect	1
