DEPARTMENT HISTORY

With the aim of installing interest in historical research among students, the History Department has started innovative activities. These include providing information on local history, visiting historical places, organizing lectures on history, and the department's blog is self-sufficient and active. The department effectively uses ICT tools in teaching-learning and evaluation processes. Through various activities, students' interest in studying and their difficulties or problems are solved

VISION & MISSION

- To give the Students deep Knowledge of History Subject.
- To develop Research Attitude of the Students.
- To develop overall Personalities of the student in the competitive world.
- To educate student having the positive attitude toward society.
- To give History knowledge for student for development of the society.
- To promote and support to the students for higher education in different fields and competitive exam.
