

# DEPARTMENT OF PSYCHOLOGY

---

The department's motto is to prepare students to acquire psychological skills, enabling them to work with psychologists or practice independently as Counselling psychologists. At the postgraduate level, students study research and statistics in psychology, abnormal psychology, diagnosis and therapeutic applications, memory, cognitive psychology, theories of learning, among other subjects. Students in this department develop clinical and social skills, conducting psychotherapy for those in need, and collaborating with psychiatrists. The department successfully operates a Certificate Course of Personality Development Skills.

# WE PROVIDED **PERSONAL COUNSELLING** IN PANDEMIC

During the coronavirus pandemic, there was fear and anxiety in the minds of the students. Students were counselled to reduce this fear and anxiety and build confidence to face the exam. Also, helpline was provided for this purpose.

## OUR RECENT **STUDY TOUR**

Students at Arya Hospital. Dr. Vilas Jadhav, a brain specialist, was consulted and with his consent, he took information about the patients coming to him. Students Dr. Krishnath Ganeshacharya, spoke to a psychiatrist, to learn about how to counsel children and how to conduct psychological analysis. Sir gave guidance on how to deal with patients By listening to them quietly and making them confident that their problems will be solved.
