Feedback Analysis Report

Introduction and Objectives:-

Dyanganga Shikshan Prasarak Mandal, Malwadi Sanchalit Shripatrao Chougule Arts and Science College, was established in the year 1998. The college aims at the overall development of the students to become entrepreneurs and professionals in the respective disciplines. Every year a survey was conducted to assess the satisfaction of all the stakeholders (Students, Alumni, Teachers, and Employers) regarding curriculum of the college. The college is permanently affiliated to Shivaji University, Kolhapur and follow curriculum prescribed by university. Receiving positive or negative feedback from these stakeholders is important as both these are crucial in helping monitor and evaluate the provision. Listening to what stakeholder say is a contributing factor to running a successful college or institution.

Methodology:-

In every academic year, we ask all the stakeholders to fill a feedback form which is made available on college website. Every year data was collected at the end of the academic year. The link of feedback form was made available to all stakeholders on their corresponding Class WhatsApp group and college website.

For the academic year 2023-24, there were 1275 registered students at the college. 267 students, 30 alumni, 27 teachers and 8 employers responded to the survey. The analyses presented in this report are based on the responses of these stakeholders to the survey.

Design of Feedback:-

The responses from the students, teachers, alumni and employers are collected on the four-point Liker scale.

- 1) Strongly Agree
- 2) Agree
- 3) Neutral
- 4) Disagree

Overall Evaluation:-

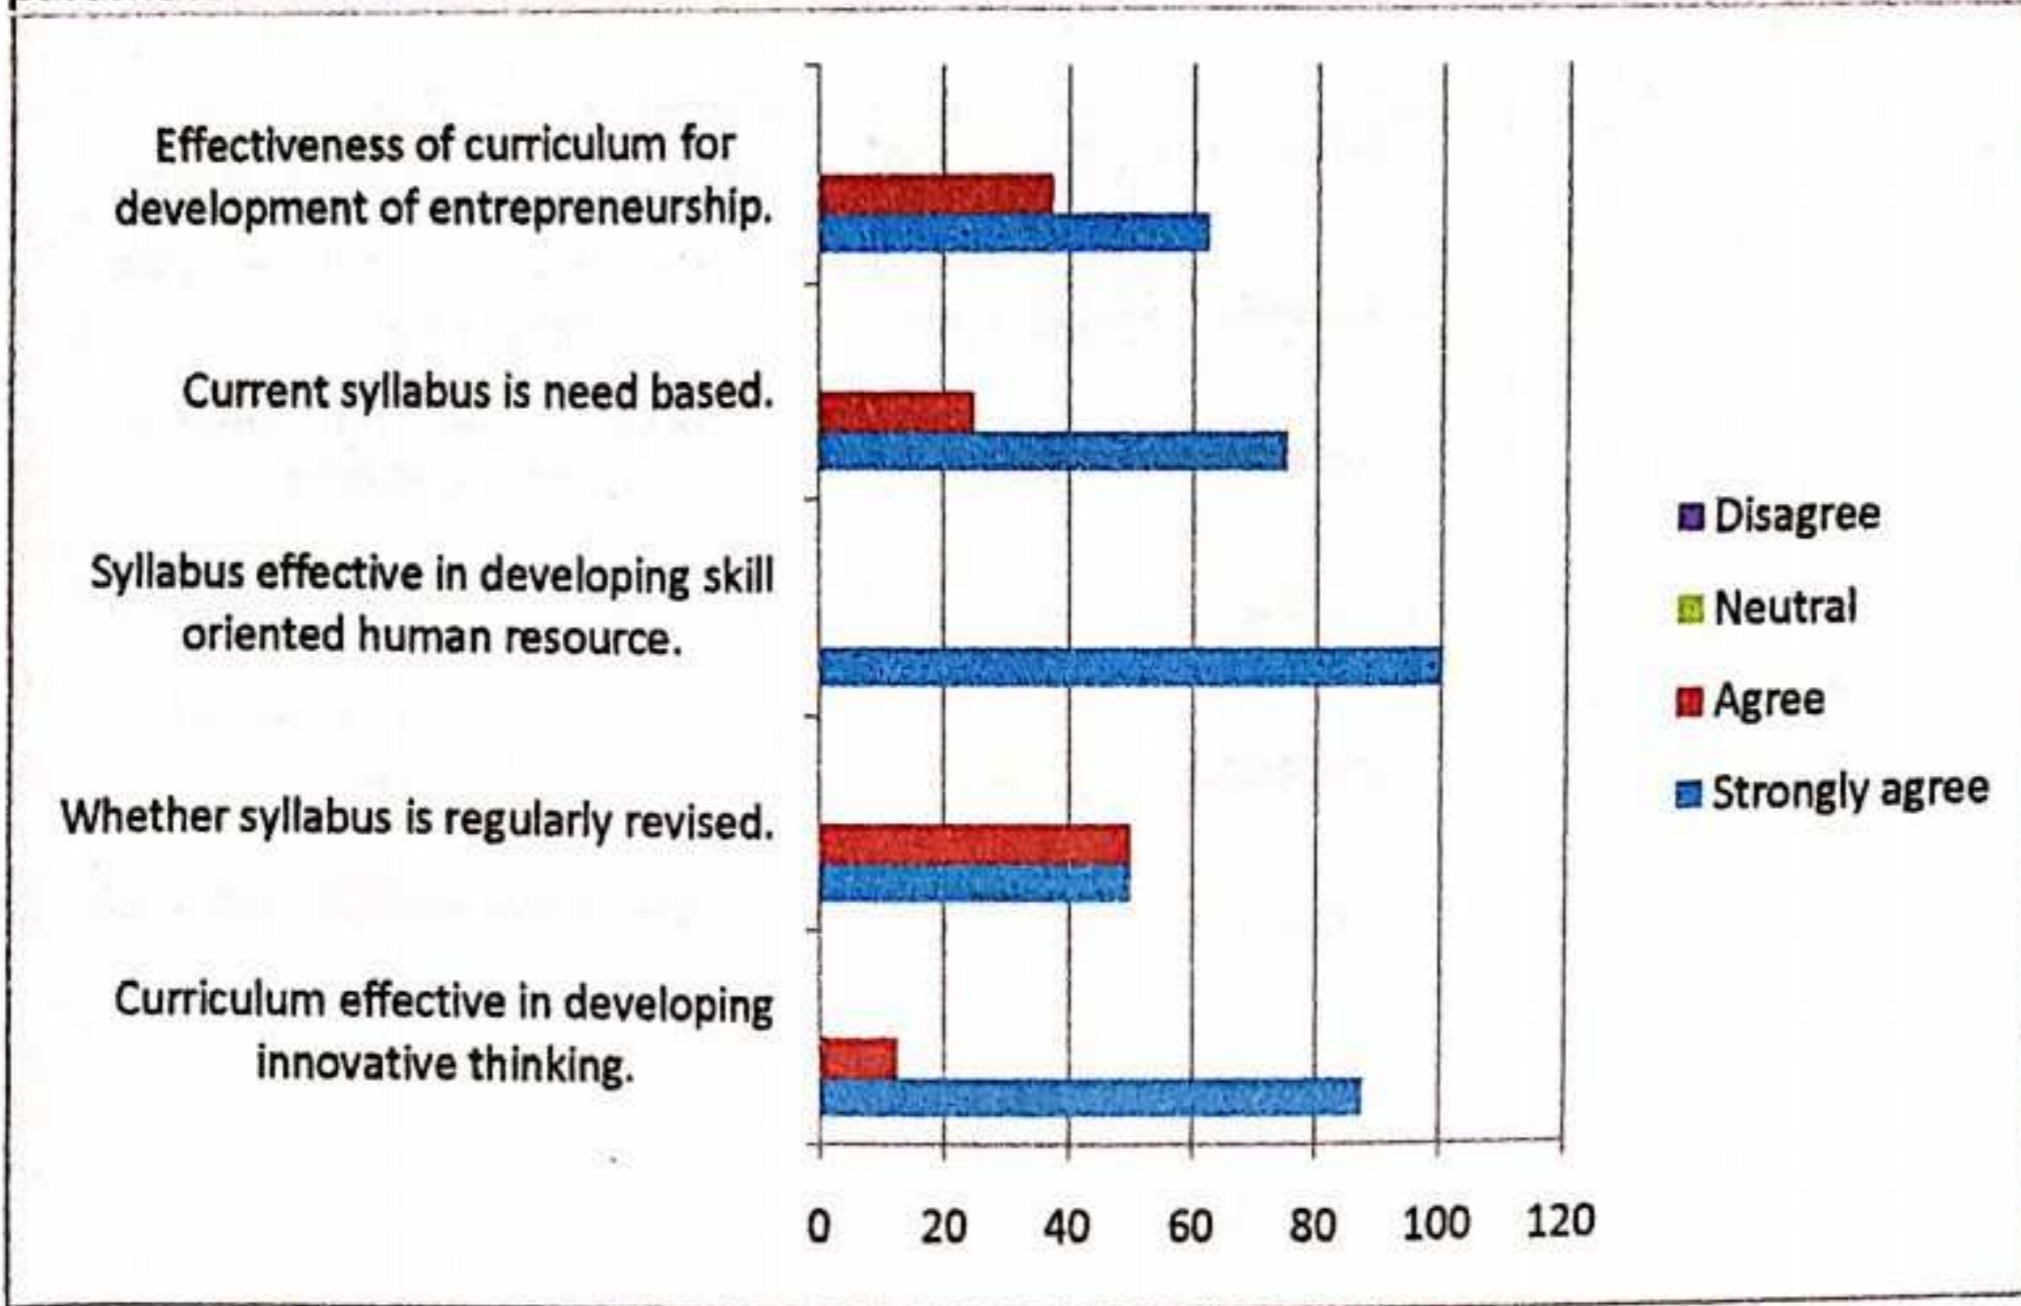

Feedback was collected and analyzed by Feedback Committee of the college. Opinion of all stakeholders are obtained about each parameter in percentage.

We have received 8 employees online feedback on the syllabus of various programmes designed by Shivaji University, Kolhapur.

Introduction and Objectives:-

Dyanganga Shikshan Prasarak Mandal, Malwadi Sanchalit Shripatrao Chougule Arts and Science College, was established in the year 1998. The college aims at the overall development of the students to become entrepreneurs and professionals in the respective disciplines.
