About Course - After 1960 Marathi language was given the status of Rajbhasha. The Language Advisory Board appointed for the preparation of Marathi Karana discussed the rules of correct writing and prepared a new set of rules. These rules, with slight modifications, were approved by the Marathi Sahitya Mahamandal. And the state government also approved the regulations made by them and decided to follow them in all areas of governance and education. But Shudhalekhan is not written properly by today's generation. Therefore, it has been decided to organize this course from the Marathi department of our college. So that students do not face any obstacle in their career.
