Annexure II - i

Best Practice No. 1

- **Title of the Practice :- Women's Empowerment**
- **Goal** - To provide education to poor, needy rural area girl students and to enable them to face global challenges
- **Objectives of the Practice:-**
 - a) To Provide education to hilly and rural area students, especially girl students.
 - b) To give opportunity of Higher Education to rural and hilly area girl students.
 - c) To create health awareness among girl students.
- **The Context :-**

Our college is situated in hilly, rural area. Area around the college is economically, socially and educationally backward. Most of the students come from deprived community class. Mostly parents don't have awareness regarding girl's education and health. Therefore, to develop educational institute nearby college area, it is one step to development and improvement of girl's higher education.
- **Practice:-**
 - Try to provide good educational atmosphere for the students, especially girl students with at most security measures. So, the college has organized various activities and programmes to create interest in their minds and to provide higher education for their own development.
- **Evidence of Success :-**

There are 100% girl students who come from rural and hilly area in our college. This number is increasing day by day. At present 63 % are girl students.
- **Problems Encountered and Resource Required :**

Unavailability of transport facility, poverty, illiteracy and illiterate parents.

Annexure II- ii

Best Practice-2

- **Title of the Practice :- Coaching Class for Competitive Examinations (Incubation)**
- **Goal -** To support inward qualities of the students and to create confidence among them for competitive examinations.

- **Objectives of the Practice :**
 - 1) To Assist the students for competitive exam through coaching class.

 - 2) To motivate the students for participation in competitive exams

- **The Context**

The college is established in rural and hilly area. Students do not get proper information about competitive exams so college decided to create awareness about administrative services among the students regarding opportunities in State and Indian Administrative Services. We have planned to run coaching class for competitive exams.

- **The Practice –**

We have prepared time table of the coaching class. The teachers are allotted syllabus of competitive exams. As per the choice and interest of the teachers we have conducted lectures for students. We have displayed the syllabus of MPSC exams in the corridor. Our faculty members guide them very sincerely.

- **Evidence of Success-**

These lectures are very helpful to students in their studies. Interested students are enrolled their names for competitive exams. Some students achieved success in MPSC exams.

- **Problems Encountered and Resources Required:**

The course is run on self funding basis. Hence the resources required such as study materials, books, the availability of space and resource persons are not up to the adequate.

- **Entrepreneurship:**

Those students who are interested in entrepreneurship are guided in order to empower them to undertake various business enterprises.
