

5.3.2. – Activity of student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

There was no student Council established as per the Shivaji University Procedure. However, students were nominated on various academic, administrative and functional committees like Literary Association, Elocution, Gymkhana, IQAC, Ladies Association, Cultural Activities, College Magazine, Wallpaper, Library, Youth Festival, NSS, Anti Ragging Internal Complaint etc. There are meetings of these committees in which the students representatives give the feedback from the student community. It is critically discussed and student views are considered on priority basis.
