

### **6.2.1 Institutional strategies/ perspective plan effectively deployed**

The institution has a perspective plan. In this changing scenario institution has realized a phenomenal growth in the academic arena, examination procedure and infrastructure promotion. The perspective plan of the institution focus towards the attainment of its vision and mission to sustain reputation Apart from regular teaching process institution is focusing on counseling for careers, professional skills for placement through adding new certificate courses, NCC , co-curricular ,extra co-curricular activities like Sports, NSS, Cultural activities etc. The institution is constantly pursuing the health consciousness and environmental awareness activities to improve a clean and hazard free environment. The college also committed to support innovative research activities through incubation center (Research Committee). The college development Committee, Principal, IQAC Coordinator and Head Departments and various functional committees look after the planning, and preparing strategic policy and it's proper deployment and implementation
